ROCK LAKE UNITED CHURCH CAMP
located just outside of ELKO, BC

is available for rent from

MAY 15th through OCT 1st

WHAT IS ROCK LAKE CAMP?

Located on Rock Lake Road, 2 miles south of Highway #3 between the villages of Galloway & Elko, the property encompasses 480 acres of diverse wilderness, including forests, brush, meadows, hills and gullies, all completely surrounding a small private lake with two beaches. Two creeks, Caithness Creek and Rock Creek run through the property merging just off its south end to form Kikomun Creek.

Situated along the south side of the lake is a summer camp (which can accommodate 65 people), complete with dining hall & kitchen, meeting hall, hospital, washhouse and several cabins.

The camp is on the grid & is fully serviced with electricity, propane & has indoor washhouse facilities complete with showers.

Also on the property is a 82-site campground which operates separately from the camp. These two facilities have co-existed for many years without encroaching on each other.

From left to right: (Washhouse, Cabin #4, Cabin #5, Cabin #6, Meeting Hall & Cabin #7)

Looking through the games area to Cabin #1. Dining hall can just be seen on the left, Washhouse on the right.

WHO CAN USE ROCK LAKE CAMP?

The camp has a Director's Cabin, 6 sleeping cabins with bunks, a hospital, a meeting hall, a dining room/kitchen, a washhouse, an outdoor eating patio, a fire pit with fixed seating, a small private beach with dock & floats and an outdoor chapel.

The camp has been used successfully by Church Groups, Community Groups (Boy Scouts, clubs, etc.), Schools, Businesses & Families for such events as summer camps, youth group events, spiritual retreats, planning sessions, fun events, weddings and family reunions.

The event possibilities for your group of up to 65 are limited only to your imagination and our fixed nightly rate works well with a variety of budgets.
